Public Works Report

Water Usage and Other Monthly Activities

Breaking News!

The City of Frisco has now dedicated a telephone line to providing the weekly lawn watering advice every Monday morning!

Call the Watering Line

972-292-5801

Drought Update

- For the month, August 2014 usage of 172 gpcd reduced from 280 gpcd comparing to August 2013
- For the year through August, we have used 1.1 billion gallons less than last year
- August reduction was about 57.7%
- Achieved reduction of 33.5% (Oct-August)
- No failed water samples due to restrictions and chlorine levels remain above the minimum
- For 2014, 3,676 violations, 2,413 irrigation check-ups, and we are sending 10,035 weekly e-mails

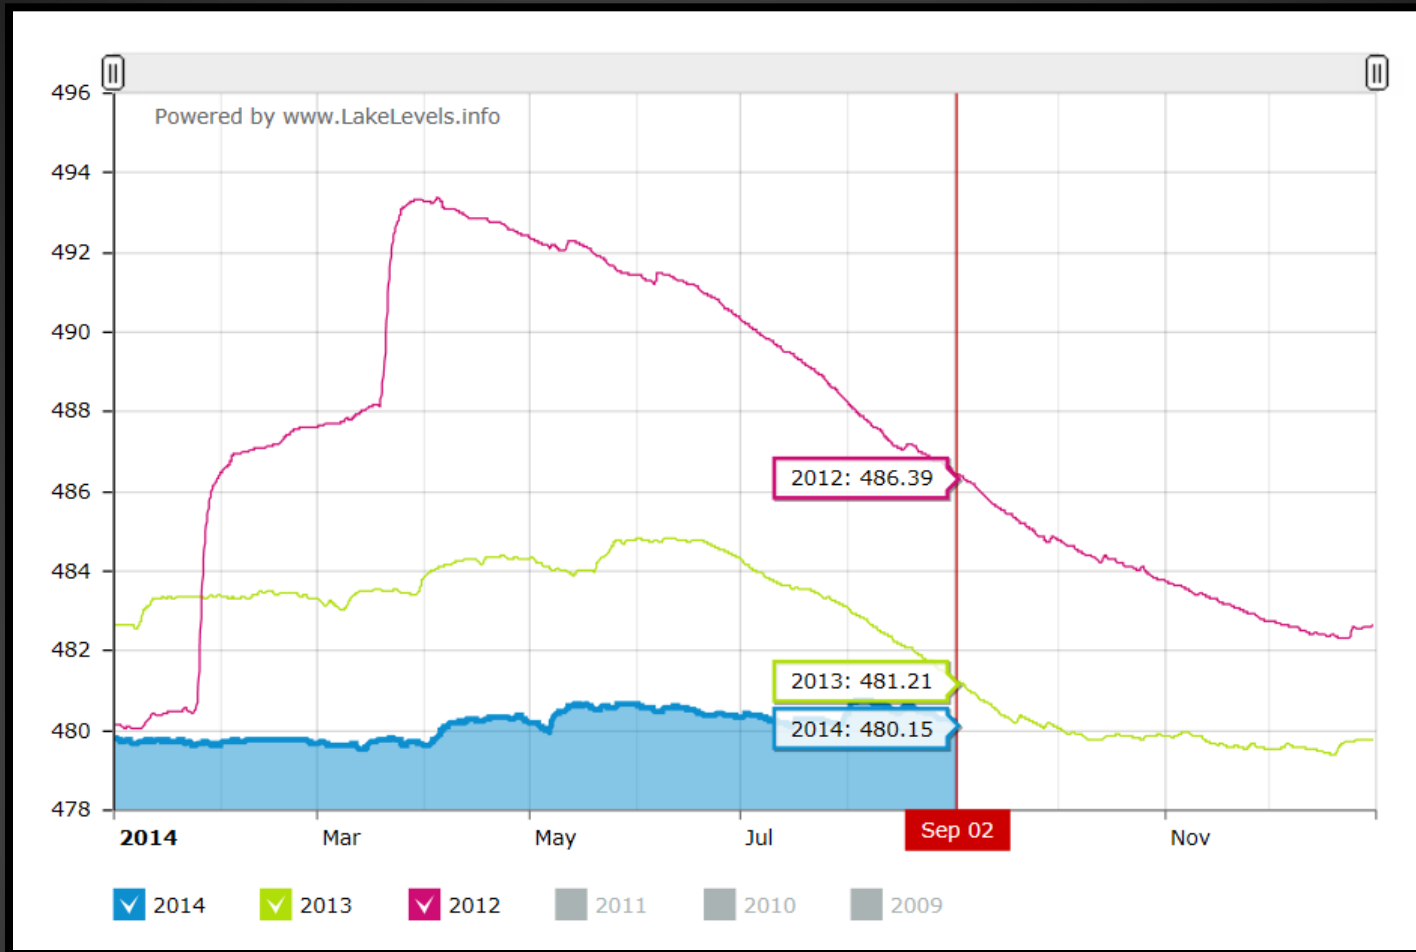

Stage 3 Message

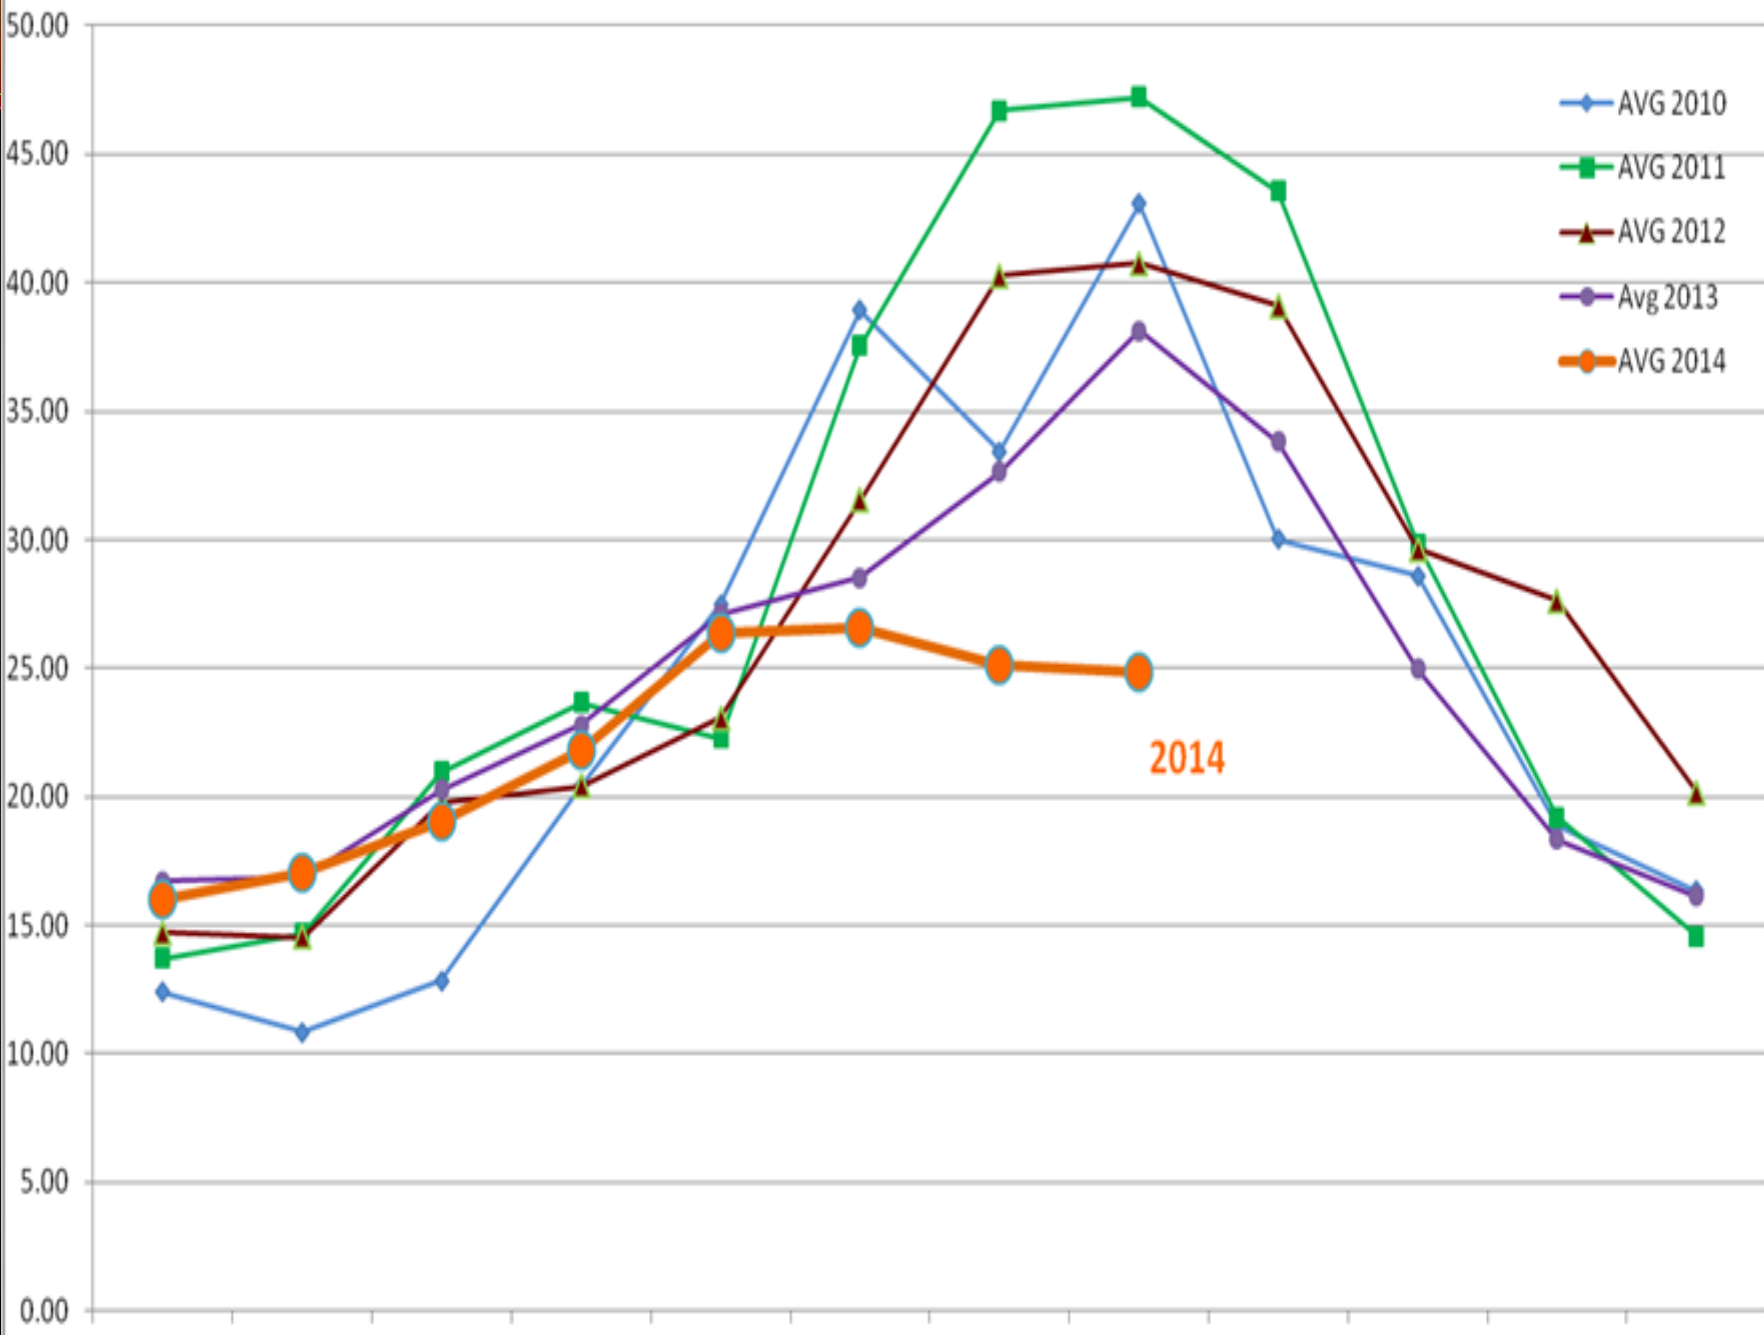

1. Turn off sprinkler systems until needed
2. Check our website/watering line/e-mail for weekly watering advice
3. Regular trash day watering only, if necessary, based on Frisco weather station data
4. Hand-held hoses, soaker hoses, drip, & bubblers permitted 2 hours on any day including turf
5. Watering not permitted 10 am to 6 pm

Lake Lavon Water Levels

FRISCO MONTHLY AVERAGE WATER USAGE PER DAY 2010 - 2014
